

STAGE 1 - FIRE RESTRICTIONS

What is **NOT ALLOWED**?

ALL personal uses of Fireworks are prohibited

ANY fire not within a permanently constructed fire pit, ring, or grate on PUBLIC or PRIVATE land.

Fires contained within portable devices (chimineas, grills and tiki torches with no shut off valve) on undeveloped lands.

Smoking outdoors in an area that is not cleared of all combustible materials.

No explosive targets or incendiary (tracer) rounds. These are never allowed on Federal lands.

Using any internal or external combustion engine WITHOUT a spark-arresting device.

Welding or operating acetylene or other torch with open flame in an area that is NOT cleared of at least 10 feet in diameter and NOT in possession of a chemical pressurized fire extinguisher.

What **IS ALLOWED**?

Professional fireworks displays are allowed.

Fires contained within permanently constructed fire pit, ring or grate on PRIVATE land; or within a fee-charged PUBLIC recreational site, such as campgrounds.

Fires contained within liquid fueled or gas fueled stoves, lanterns or heating devices on PUBLIC or PRIVATE land.

Smoking within an enclosed vehicle, building, developed recreation site, or in an area that is cleared of all combustible materials.

Shooting or discharging firearms on PRIVATE land or at a PUBLIC Shooting Range.

Using internal or external combustion engines WITH a spark-arresting device.

Welding or operating acetylene or other torch with open flame in cleared areas of at least 10 feet in diameter and in possession of a chemical pressurized fire extinguisher.

STAGE 2 - FIRE RESTRICTIONS

What is **NOT ALLOWED**?

ALL personal uses of Fireworks are prohibited

Building, maintaining, attending or using an open fire, campfire or open flame outdoors is PROHIBITED. This includes charcoal grills, BBQs, coal and wood burning stoves.

Smoking outdoors when not in a developed recreational site or in an area that is cleared of all combustible materials.

No explosive targets or incendiary (tracer) rounds. These are never allowed on Federal lands.

Using any internal or external combustion engine (chainsaw, ATV, generator etc.) WITHOUT a spark-arresting device.

Welding or operating acetylene or other torch device with open flame outdoors. A 'hotwork' permit can be issued thru a local fire department with site inspection.

What **IS ALLOWED**?

Professional fireworks displays are allowed.

Fires contained within liquid fueled or gas fueled stoves, lanterns, or heating devices on PUBLIC or PRIVATE land with a shut off valve.

Smoking within an enclosed vehicle, building, developed recreation site, or in an area that is cleared of all combustible materials.

Shooting or discharging firearms for hunting, with a valid and current hunting license on PUBLIC lands.

Using internal or external combustion engines WITH a spark-arresting device, and a chemical pressurized fire extinguisher and a sound pointed shovel at least 35" long and readily available for use.

BE PREPARED! USE CAUTION!
#ONESPARK can cause a deadly wildfire!

EXHIBIT A

Stage 1 Red Flag Restricted Activity		Stage 2 Red Flag Restricted Activity	
Developed Land	Note	Developed Land	Note
Open fires	Allowed in a constructed, permanent enclosure	Open fires	
Personal fireworks		Personal fireworks	
Portable outdoor fireplace	Allowed in areas with at least 15' of clearance to combustibles or if it uses LP or natural gas with a valve that can be turned off	Portable outdoor fireplace	Allowed if it uses LP or natural gas with a valve that can be turned off
Undeveloped* Land	Note	Undeveloped* Land	Note
Open fires		Open fires	
Personal fireworks		Personal fireworks	
Welding/hotwork	May be permitted with hotwork permit and may require a site inspection	Welding/hotwork	May be permitted with hotwork permit and may require site inspection
Portable outdoor fireplace	Allowed if it uses LP or natural gas with a valve that can be turned off	Portable outdoor fireplace	Allowed if it uses LP or natural gas with a valve that can be turned off
		Smoking	Allowed in enclosed vehicle or building
Explosives, including explosive targets		Explosives, including explosive targets	
Tracer Rounds		Tracer Rounds	
		Engine without spark arrestor	
Agricultural burn	May be conducted with permit	Agricultural Burn	May be conducted with permit
Campfire	Allowed in permanent steel fire enclosure within official campground, park or picnic area	Campfire	
Charcoal grill or fire	Allowed in permanent steel fire enclosure within official campground, park or picnic area	Charcoal grill or fire	

Undeveloped Lands: Lands that are not groomed, manicured, or watered, where grasses, brush and trees have been allowed to grow in a natural environment. This includes green belts that are not landscaped or manicured, open space lands, non-manicured park lands, and other areas where the fire hazard presented by the vegetation is determined to be an undue wildland fire hazard.

Portable Outdoor Fireplace: A portable outdoor, solid fuel burning fireplace that may be constructed of steel, concrete, clay or other non-combustible material and equipped with a screen or other approved spark arrestor. A portable outdoor fireplace may be open in design or may be equipped with a small hearth opening and a short chimney or chimney on top.

STAGE 1 FIRE RESTRICTIONS = Yellow

What is NOT ALLOWED?

- ALL personal uses of Fireworks are prohibited.
- ANY fire not within a permanently constructed fire pit, ring, or grate on PUBLIC or PRIVATE land.
- Fires contained within portable devices (chimineas, grills and tiki torches with no shut-off valve) on undeveloped lands.
- Smoking outdoors in an area that is not cleared of all combustible materials.
- No explosive targets or incendiary (tracer) rounds. These are never allowed on Federal lands.
- Using any internal or external combustion engine WITHOUT a spark-arresting device.
- Welding or operating acetylene or other torches with an open flame in an area that is NOT cleared of at least 10 feet in diameter and NOT in possession of a chemical pressurized fire extinguisher.

What IS ALLOWED?

- Professional fireworks displays are allowed.
- Fires contained within a permanently constructed fire pit, ring or grate on PRIVATE land; or within a fee-charged PUBLIC recreational site, such as campgrounds.
- Fires contained within liquid-fueled or gas-fueled stoves, lanterns or heating devices on PUBLIC or PRIVATE land.
- Smoking within an enclosed vehicle, building, developed recreation site, or in an area that is cleared of all combustible materials.
- Shooting or discharging firearms on PRIVATE land or at a PUBLIC Shooting Range.
- Using internal or external combustion engines WITH a spark-arresting device.
- Welding or operating acetylene or other torches with an open flame in cleared areas of at least 10 feet in diameter and in possession of a chemical pressurized fire extinguisher.

STAGE 2 FIRE RESTRICTIONS = Red

What is NOT ALLOWED?

- ALL personal uses of Fireworks are prohibited.
- Building, maintaining, attending or using an open fire, campfire or open flame outdoors is PROHIBITED. This includes charcoal grills, BBQs, coal and wood-burning stoves.
- Smoking outdoors when not in a developed recreational site or in an area that is cleared of all combustible materials.
- No explosive targets or incendiary (tracer) rounds. These are never allowed on Federal lands.
- Using any internal or external combustion engine (chainsaw, ATV, generator etc.) WITHOUT a spark-arresting device.
- Welding or operating acetylene or other torch devices with open flame outdoors. A 'HOTWORK' permit can be issued thru a local fire department with a site inspection.

What IS ALLOWED?

- Professional fireworks displays are allowed.
- Fires contained within liquid-fueled or gas-fueled stoves, lanterns, or heating devices on PUBLIC or PRIVATE land with a shut-off valve.
- Smoking within an enclosed vehicle, building, developed recreation site, or in an area that is cleared of all combustible materials.
- Shooting or discharging firearms for hunting, with a valid and current hunting license on PUBLIC lands.
- Using internal or external combustion engines WITH a spark-arresting device, and a chemical pressurized fire extinguisher with a sound pointed shovel at least 35" long. Both must be readily available for use.

COMPLETE FIRE BAN = Black
