To: Fulford Association Members

From: Fulford Board of Directors

Subject: New Covenants Vote

Thank you for your participation in the recent vote on the amended and restated covenants that will serve to preserve what Fulford has been and will continue to be. Your board and appointed attorney have worked hard to review all past documents, covenants, and by-laws for the township since inception in an effort to consolidate them into a single governing document.

We are happy to announce that the voting is finished and the new covenants have passed.

Per law, 66% of the membership was required to vote in favor of the amended and restated covenants in order for them to be passed. The results are as follows:

- 82 members of the association
- 55 votes for yes
- 9 votes for no
- 18 abstentions

The board is taking action to enact all required notarized signatures to be affixed to the amended and restated covenants. Once completed, the covenants will be registered with the Colorado Secretary of State and filed with Eagle County.

Thank you again for sharing your voice on this important matter.
